She lives at [REDACTED] from what our record show. Which doesn't sound like a normal Satellite Beach address but I'm going to drive by there in a few minutes and verify it.

Chief,

Is it possible for you to let me know if this person is a City resident? This is only the second person I have banned in the last 5 years and it is because her comments were very concerning. I will forward you a complete set of her posts once I get all of them sent over.
